

RESERVATIONS AT MCGOWANS

We offer casual-style reservations in non-private areas on the ground floor of the pub. Your group will be allocated several tables depending on the number of guests, with a mix of **seated and standing** space.

Please note that we cannot guarantee a seat for every guest, particularly for larger bookings.

We have a great variety of areas in which you can reserve tables:

·**Front Bar (20–50 guests):**

Intimate, cosy, Instagram-worthy.

·**Ground Floor (20–150 guests):**

Open, central, and flexible.

·**Rock & Roll Area (up to 100):**

Lights, music, energy.

·**Upstairs Area (up to 250):**

Your own dedicated party space with private bar.

Depending on demand, areas may be **fully booked by one group or shared between multiple parties** on the night. While we do our best to accommodate requests for specific areas, this cannot always be guaranteed.

All reservations for the Main Bar are made **free of charge**. We kindly ask that you notify us as early as possible if there are any changes to your numbers or plans.
